Dear Geoff,

I have attached the minutes of a meeting of the QUESTNET Management Committee meeting held on Friday, 4 September. Originally, this was to be a quickly convened meeting to discuss only the AARNet draft business plan. I did not think of it as a formal QUESTNET meeting and did not invite you or John Mullarvey. I apologise for this. At one stage when recent events of the proposed CRC for a broadband network swung into prominence, I thought we would cancel the conference but the Directors wanted to meet and so the agenda became QUESTNET/Queensland Directors meeting.

As you can see, the meeting covered a lot of ground and there seems to me to be a great deal for me to cover before the Directors meeting in New Zealand.

I would be pleased to receive any comments you may wish to make and I will circulate to the others.

I am sure you will appreciate that there was no intention to exclude you from the meeting.

Yours sincerely,

Alan W Coulter
Director
