Subj: RE: Evaluation of aarnet projects

AARNet Project submissions:

I have sent out copies of all 13 project submissions via the AVCC on Monday afternoon - Alan and Mary should have their copies today or early tomorrow.

The posted material includes a copy of all the submissions, plus a summary sheet and some short comments of mine on each of the proposals.

As I indicated in my earlier mail to this list, it would be appreciated if the group could set an objective of completing this process of evaluation and recommendation by Monday 6th May (just under two weeks from today).

Could I please request Alan and Mary to mail or phone me in the next day or so to confirm that they have received copies of the submissions?

Many thanks,
