schedule for forthcoming week: maintenance 0700-0830  
operations 0900-2400.

2. PDP-10 OPERATIONS

At the beginning of the week a number of files were corrupted on the disks. The problem was caused by faulty transistors which have subsequently been replaced. Should any users still have files that are corrupted please see the Administrative Officer at the Centre. The Computer Centre will attempt to restore any such files.
