## *Dine-Around Guide*

### *Recommended Restaurants*

To help you enjoy your evening "out and about" on the Gold Coast, we have compiled a short list of recommended restaurants. There are many restaurants in the Broadbeach and surrounding areas from which to choose. The restaurants listed below are known to provide good service at reasonable prices. Many of them have offered QUESTnet 95 delegates a discount on presentation of your name badge.

For dining near the University, La Strada (listed below) and the Robina Golf Club both provide a variety of dishes. La Strada being BYO while the Golf Club is Licensed. Both are within a couple of minutes cab drive from the University.

A popular and pleasant area for dining on the Gold Coast is the Broadbeach mall. Available in this area is a wide range of restaurants, cafes and coffee shops. Styles including Italian, Mexican, Thai, Chinese, Japanese, Indian and French are available. Located near the Mall are 2 bottle shops, one at the round'a'bout at the Western entrance to the Mall, the other is situated inside the Oasis Center towards the eastern end of the complex. Broadbeach is roughly 8 to 10 minutes from the University by taxi. Jupiters Casino and the Pan Pacific Hotel are both in Broadbeach with the Pan Pacific being on the Mall and Jupiters offering a monorail into the Mall area.

We hope you enjoy your night out on the Gold Coast.
